

The Hangzhou International School MUN Club,

Recognizing that group debate is a valuable tool for assessing ideas,

Guided by the need to have a record of the accomplishments and decisions of current and former club members,

Hoping that the work of club members will enable future generations to more efficiently realize the ideals of the United Nations,

1. Calls for the creation of a document describing club procedures and decisions;
2. Encourages individual members, groups of members, or the MUN coordinator to submit draft resolutions for the consideration of the club;
3. Resolves to act upon all approved club resolutions in a transparent and timely fashion;
4. Recommends the establishment of Mr. Robinson as the overseer and enforcer for this resolution to allow it to run smoothly.

Passed by overwhelming majority at the club meeting on March 22, 2011
